

Mobile Phones / MP3 Players / iPODS

For reasons relating to Child Protection and Health & Safety the above named devices may not be brought to school at anytime.

They will be confiscated immediately if they are seen by any member of staff or are turned on at any time during the school day. They may not be used at the Homework Club or at after-school activities.

***Mobile phones which have been confiscated will be returned to a parent/guardian or responsible adult over 18 (excluding a student from St. Patrick's) by appointment with the Form Teacher/HOY. Please contact the school office to make this appointment with the Form Teacher.**

In an emergency or 'special circumstance' a student may make or receive a call at the Main Office.

MP3 players and iPODs may be used by Post 16 students during study periods only. If they are seen in use at any other time they will be confiscated immediately.

Mobile phones may not be used as MP3 players to listen to music at anytime when on school premises.

PLEASE NOTE: Office staff are not responsible for returning mobile phones and have no authority to do so. Please do not place them in an awkward position by requesting that they return phones to you.

Your co-operation in obeying this rule will be gratefully appreciated.
Thank you.
